EXPERTSOFT SYSTEMS SHORTLISTED FOR THE *WEALTHBRIEFING* EUROPEAN AWARDS 2016

Expertsoft Systems, one of Europe's foremost Software Solution Providers for Wealth and Asset Management, has been shortlisted for the *WealthBriefing* European Awards 2016.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards are designed to recognise companies, teams and individuals which the prestigious panel of judges deem to have 'demonstrated innovation and excellence during 2015'.

Commenting on the firm's shortlisting, Mr Philipp Bisang, Head of Sales and Member of General Management, Expertsoft Systems said: "We are delighted to be shortlisted for these prestigious awards. It is a great honour to be recognised in seven of the shortlist categories and a wonderful complement to our team for their ongoing efforts to provide the best possible solutions to our customers. Being shortlisted in so many categories is a testament to Expertsoft as a leading solution provider in the Wealth Management Technology space."

ClearView Financial Media's Chief Executive, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to the shortlisted firms. He said: "The firms who have been shortlisted in these awards are all worthy competitors, and I would like to extend my heartiest congratulations. These awards are judged on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards will recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process – such that the awards truly reflect excellence in wealth management. Our aim is to make these annual awards one of the brightest, and keenly contested highlights in the wealth management calendar."

Winners will be announced at a gala awards dinner which in London on the 19th of May at The Guildhall.
